WINEMAKERS NOTES

A blockbuster vintage for white and rosé varietals, 2019 brought near perfect weather conditions throughout the growing season and long into harvest. Favorable springtime conditions allowed the vines to complete budbreak and fruitset without experiencing any adverse weather. Moderate summer temperatures allowed for a long and slow maturation of grapes and produced fruit that was both complex and balanced. A Provence style rosé, we feature two varietals commonly found in the warmer climate of southern France that thrive in the Texas High Plains. We achieved the exquisite color through a short a controlled maceration and fermented in stainless steel tanks to preserve the freshness of the wine. Lively and flavorful, this rosé reflects the superior characteristics of Texas High Plains terroir.

TASTING NOTES

A stunning rose quartz color with brilliant clarity, this refreshing dry rosé offers flavors of strawberry, raspberry, cherry and succulent red apple. This wine is light-bodied with a crisp, mineral-driven finish. Pair with salads, fruit and seafood or just relax and sip with friends by the pool!

THE VINEYARDS & PHILOSOPHY

At Reddy Vineyards, we strive to provide the highest quality grapes to be enjoyed as your family's favorite wine. Situated in the heart of the Texas High Plains AVA (American Viticultural Area), our vineyards are blessed to possess a rare combination of factors ideal for growing premium grapes. Soaring at an elevation of 3305 feet, the vineyards experience a long growing season with warm days and cool nights. Sandy loam soils with deep limestone deposits protect the vines from pests while forcing the vines to produce concentrated grapes. This unique terroir allows us to grow grapes with exceptional balance, depth, flavor and intensity.
